

This job aid assists users on how to log into WAA EPA Community Applications using Login.gov credentials on a desktop.

1. In your browser go to [EPA Application URL](#). You will be redirected to the **EPA GATEWAY** login page.

2. From the "Login.gov" tab of the EPA Gateway login page, click the "Login" button.

3. The EPA/Login.gov landing page will be displayed. Enter your Login.gov account credentials (i.e., email address and password) and click the "Sign In" button to continue.

NOTE: If you do not have an existing Login.gov account, you will need to [create a Login.gov account](#) before continuing.

An official website of the United States government | Here's how you know ✓

LOGIN.GOV

EPA Production is using Login.gov to allow you to sign in to your account safely and securely.

Email address

Password ☐ Show password

Sign in

Create an account

[Sign in with your government employee ID](#)

You will be prompted to enter a one-time security code.

NOTE 1: This step may vary depending on how the second factor authentication was configured for the account (SMS text, software authenticator, PIV/CAC, or security key)

NOTE 2: If you do not have access to your primary authentication method, you may opt to use your secondary authentication method by selecting the "Choose another authentication method" link.

Enter the code into the "One-time security code" textbox and click the "Submit" button.

Enter your security code

We sent a security code to ***-***-1234. This code will expire in 10 minutes.
